

this is ... Jammybowl!!!

what is Jammybowl!!!?

Jammybowl!!! is a brand new sport inspired by office chair polo and ultimate frisbee

what makes Jammybowl!!! great?

Jammybowl!!! is the most bestest sport in the universe

Jammybowl!!! is the also first open-source sport: you are encouraged to create your home rules, as long as you specify that you are playing with home rules

if you modify the sport, please make it clear that you are playing a “variation of Jammybowl!!!”, this is important to prevent confusion

the rules of Jammybowl!!!

the basic:

- there are three teams in a game of Jammybowl!!!: team 1, team A and team ✿, respectively composed by 3, 3, and 2 players
- a game lasts 40 minutes and is played with a frisbee on a reasonably-sized grass pitch
- to win a game, a team must score the most points
- in team 1 and team A, one player of each must move only using an office chair; the same kind of chair must be used by each team

how to score points:

- team 1 and team A may:
 - catch the frisbee in its course to gain the frisbee
 - score points by having the frisbee thrown from a team member to the same team’s office chair player
- team ✿ may:
 - catch the frisbee in its course to score a point
 - touch any office chair player to gain a point

misc:

- any disagreement between players is to be resolved by arm wresting

now, have fun playing Jammybowl!!!
